

## DECORATIVE VINYL-COVERED PANELING and Matching Moulding

BOSSANOVA FLORAL

NEW HARTFORD

AVOCADO FLEECE

AFCO laminates a special printed vinyl film to rugged 4' x 8' x 3/16" hardboard panels. The result — paneling with bold designs and vibrant colors. Ideal for kitchens, dining rooms, dens or recreational rooms.

### Do-It-Yourself Installation

Using normal carpentry tools, a do-it-yourselfer can easily install panels. Each panel has its own exact matching vinyl mouldings to insure an attractive and harmonious installation. The panels are installed with paneling adhesive and can be put up over any solid-backed, smooth wall surface or on studs or furring.

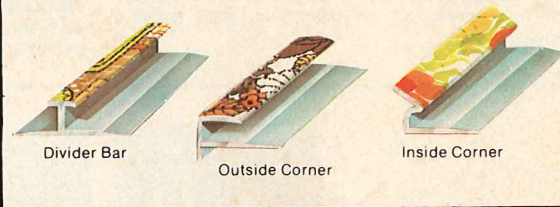

### Minimum Maintenance

Mar and stain resistant. Quickly cleaned with only a damp cloth and mild detergent.

Scotty's will assist you in setting the four wall sections when your garage is delivered.

White

Sage Green

A fully enclosed 20' x 20' garage and storage area with overhead garage door, window and rear door — ready for easy assembly on your prepared slab in just 50 man-hours. With modifications, you can use it for a retreat, an office or a studio. We furnish the completed wall panels (your choice of primed hardboard siding or prefinished hardboard siding in sage green, sun yellow or frost white, hardboard reverse board and batten textured siding. Also reverse board and batten plywood siding in cedar or redwood), roof trusses, doors, window and all materials necessary for your assembly. Visit the model and ask our salesman for price information.
