This chart is based on 30 square feet of coverage per single roll of wallcovering. Manufacturers usually ship 36 square feet of material per single roll - the 6 square feet deduction provides for normal cutting and matching while hanging. To reduce handling and packaging costs most wall coverings now come in DOUBLE ROLL bolts.

MURALS

A lovely mural from Scotty's will add depth and beauty to any room in your home or office. Murals are ready pasted, fully trimmed, stain resistant, scrubbable and dry strippable. Additional background texture is available at Scotty's low price. Come in and browse through our patterns to choose the mural you like best. Each mural package contains all the required panels of the 4' x 8' design, a double roll of matching background, detailed instructions, and a water trough for easy do-it-yourself application. Prices range from \$34.95 to \$74.95.

Average delivery time on any wallcovering product you choose is forty-eight hours.
