**SPEEDECK
Floor/Deck Enamel**
QUICK DRYING

SPEEDECK FLOOR AND DECK ENAMEL

An alkyd resin vehicle combined with color-fast weather resistant pigments. Hard finish resists abrasive wear of underfoot traffic and destructive forces of the elements. Recommended for all porch, deck or floor surfaces, interior or exterior. High gloss, quick drying. Coverage: approximately 500-700 sq. ft. per gallon. One coat.

Quart **2.99**
Gallon **8.19**

ENAMEL UNDERCOAT AND WOOD SEALER

A dual purpose material which gives perfect sealing on new wood or plywood, at the same time having the high build of an enamel undercoat with good sanding properties. Perfect two coat job when followed by BLP gloss or semi-gloss enamel. Coverage: approximately 500 sq. ft. per gallon.

Pint **1.79**
Quart **2.79**
Gallon **7.29**

DUB-L-TITE

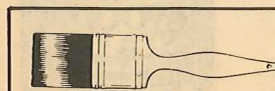

A transparent water-proofing compound that is wax-free and contains 5% silicone resin. Will waterproof any dense, porous masonry surface such as stucco, concrete, brick or cast stone. Covers approx. 100 sq. ft. per gallon.

Gallon **5.35**

LOX-CHALK

This is a clear Epoxy Ester sealer for use under Latex Paints on chalky exterior masonry surfaces. It penetrates and binds residual chalk left after scrubbing down, providing a firm sealed surface for the finish coat. Covers approximately 250-400 sq. ft. per gallon.

Gallon **6.19**

POLYESTER BRUSH

Polyester is an all-purpose brush to be used with all types of paint.
